Career Change Checklist

Explore a career change with evidence and manageable next steps.

Understand the change

[ ] Write down what you want to change and what you want to keep.

[ ] List interests, values and working conditions that matter to you.

[ ] Identify transferable skills with examples.

Explore options

[ ] Research typical work, entry requirements and skill gaps.

[ ] Speak with people in the field where possible.

[ ] Test an option through a small project, learning or volunteering.

Build a transition plan

[ ] Identify practical commitments, time and support needs.

[ ] Choose a realistic first action and review date.

[ ] Tailor your CV to show transferable skills.

[ ] Review evidence before making a major commitment.
