Interview Preparation Checklist

Prepare before, during and after your interview.

Before

[ ] Read the job description and research the employer.

[ ] Prepare 3-5 examples showing relevant skills.

[ ] Practise a short introduction and questions for the interviewer.

[ ] Confirm the time, format, location or meeting link.

On the day

[ ] Check your connection, audio or travel plan.

[ ] Have the job description, CV and notes ready.

[ ] Listen carefully and ask for clarification if needed.

[ ] Use specific examples and explain your own contribution.

After

[ ] Record questions asked and useful feedback.

[ ] Note the next step and expected timeline.

[ ] Send a brief thank-you or follow-up when appropriate.

[ ] Choose one thing to improve for the next interview.
