Job Search Checklist

A step-by-step checklist to organise your job search.

Set your direction

[ ] Choose target roles and locations or working patterns.

[ ] List the skills and evidence you can offer.

[ ] Decide how you will track applications and follow-up dates.

Prepare your application

[ ] Tailor your CV to the role and check contact details.

[ ] Write a specific cover letter when requested.

[ ] Check the employer instructions, file types and closing date.

Apply and follow up

[ ] Save the job description and a copy of your application.

[ ] Record the role, employer, application date and status.

[ ] Follow up politely when appropriate and respect stated timelines.

Review weekly

[ ] Review which applications led to responses.

[ ] Identify one improvement to your CV, search or preparation.

[ ] Plan the next week and allow time for rest.
