Work From Home Checklist

Prepare your workspace, communication and daily routine.

Workspace and equipment

[ ] Set up a comfortable, usable work area.

[ ] Test internet, audio and required applications.

[ ] Follow employer requirements for secure access and device use.

Communication

[ ] Agree working hours, availability and response expectations.

[ ] Know how to ask for help and report progress.

[ ] Keep shared tasks, notes and deadlines current.

Workday routine

[ ] Choose a short priority list for the day.

[ ] Plan focused work periods and breaks.

[ ] Check progress and hand over unfinished work clearly.

[ ] Set a clear end-of-day routine.
